Rick Spencer, Program Resource Officer, retires

(SUFFOLK, VA) August 23, 2016 – The Obici Healthcare Foundation announces the retirement of Rick Spencer, effective August 15, 2016. Rick joined the Foundation in August of 2008 and his cooperative nature was key to the early organization, success and subsequent good work at the Foundation. The Obici Healthcare Foundation (2006 – 2016) is celebrating a decade of health improvement.

“After much thoughtful and private deliberation, I decided to retire from the Obici Healthcare Foundation. It has been a fabulous experience that provided opportunities to help improve the health status of needy individuals and families in Western Tidewater,” Rick Spencer stated.

The Foundation will miss Rick’s professionalism, courtesy and amicable personality and the staff and the board of directors wish him well in this exciting new chapter of life.

###

About the Obici Healthcare Foundation: This private foundation was created in 2006 with assets established through the generosity of Mr. Obici and funds from the merger of Louise Obici Memorial Hospital and Sentara Healthcare. Since its inception, the Foundation has awarded \$38 million in grant funding.
